Kids entertainment programme

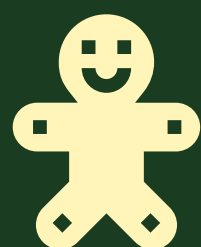

30 NOVEMBER 2025 – 8 JANUARY 2026

This holiday season, join us in Luštica Bay for days full of wonder and nights full of warmth. While we have a full festive calendar running, what follows are the events and activities tailored to children.

Artro Workshops

These craft sessions will see you create meaningful holiday keepsakes inspired by the local landscape and seasonal symbols.

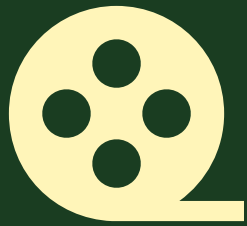

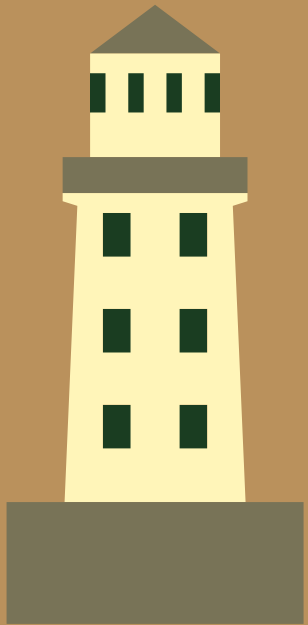

Christmas Cookies Decorations

Grab a cookie, load up on frosting and sprinkles, and produce an edible masterpiece of sugary joy.

Face Painting

Get your face painted as a Christmas tree, a rosy-cheeked Santa, a playful elf, or whatever winter wonder you can dream up.

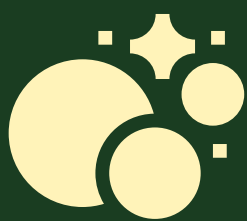

Family Christmas Movie Night

Settle in and snuggle up as we play the Christmas classics on a big screen.

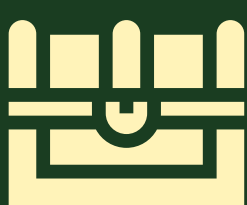

Festive Arts and Crafts

This hands-on session is a creative playground for kids to paint, draw and deck the halls.

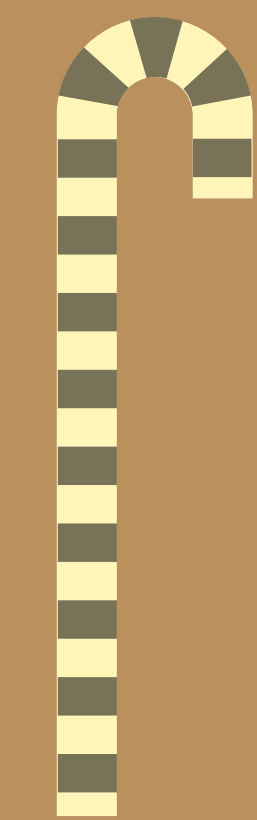

Festive Bubble Party

Enter the seasonal dome and dance away under a blizzard of giant, festive bubbles.

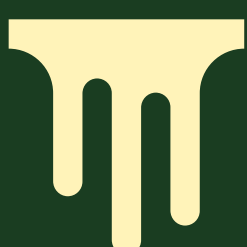

Festive Hunt around the Piazza Centrale

Follow a trail of clues around Piazza Centrale as you solve riddles and unlock hidden holiday surprises.

Festive Run

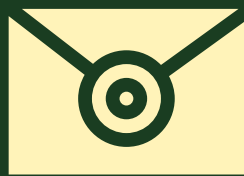

Open to kids, families, and runners of all levels. Sign up now, don your Santa hat, and jingle all the way.

Festive Slime

A perfectly messy and magical activity, with kids diving into a world of squishy, glittery fun.

Letters to Santa Claus

A moment of calm to thank Santa and loved ones for all those new goodies.

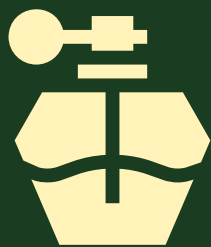

Light Drawing Show

An unforgettable visual treat. This dazzling show magically sketches and animates children's favourite heroes and holiday icons.

Meet Santa Claus

Time to meet the main man and check whether you're on the naughty or nice list.

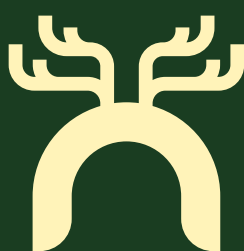

Perfume Making Workshop

Unleash your inner chemist as you mix seasonal scents to craft a personalised perfume.

Photos with Santa Claus

Get the picture that will sit on the mantelpiece, or your phone's screen, for the years to come.

Reindeer Mask Station

Kids will design, decorate, and wear their adorable reindeer masks, turning little faces into holiday helpers right before your eyes.

Sand Drawing Show

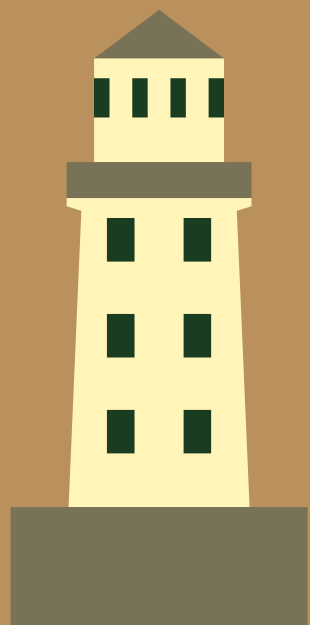

A mesmerising performance where flowing sand creates beautiful images. Guests of all ages can step in, try their hand, and spark their own imaginative fun.

Sequins wall drawing Program

An artist will draw your stories on the giant flip-sequin panel, helping you create an ever-changing shimmering masterpiece.

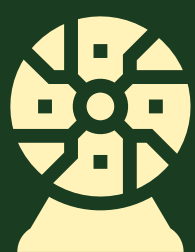

Snowflake Creation Table

At this charming creation station, children will craft their own snowflakes in a hands-on burst of creativity.

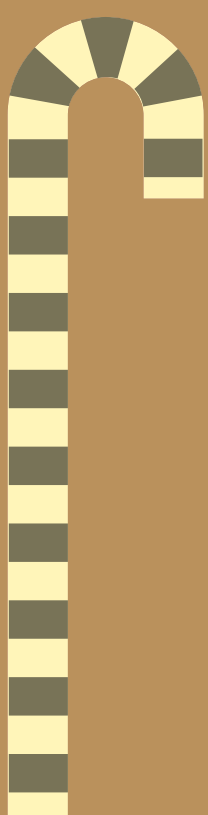

Spray Art

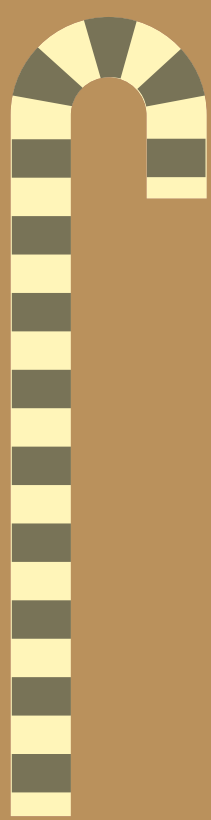

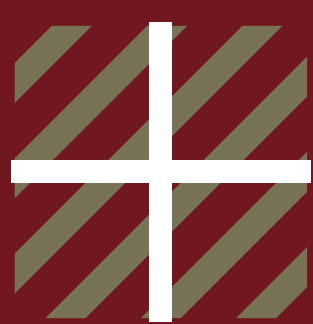

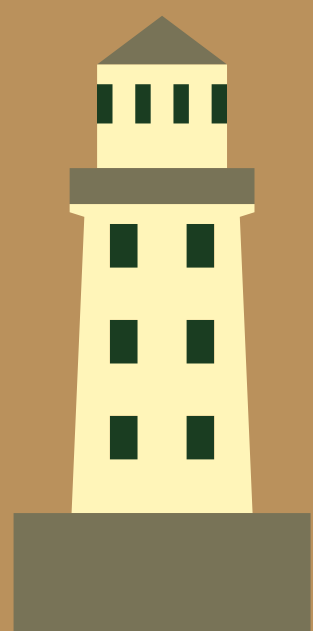

Ready, aim, fire: this exciting activity sees kids use water-based spray paints to bring their ideas to life on canvas.

Tesla Show

Feel the buzz in a visually stunning demonstration of electricity in action.
